# Japan-ASEAN Training Course toward SDGs

## Learning Japanese culture and Biodiversity

from UNESCO Biosphere Reserves in Japan

### About the course

UNESCO Biosphere Reserves are internationally highly evaluated model areas which aim to conserve rich ecosystem and biodiversity, and achieve sustainable development in terms of culture, economy and society. Through the activities of Japan's UNESCO Biosphere Reserves, students will learn about the harmony and symbiosis between nature and people with students from Japan and the ASEAN region.

### Course content

**Number of students** : 65 students (50 from AUN, 15 from SixERS)

※ In case of too many applications, we will select participants based on their reasons for application and English scores.

### Eligible student :

- Students from AUN (ASEAN University Network) member universities
- Students from SixERS member universities (Chiba, Niigata, Kanazawa, Okayama, Nagasaki and Kumamoto Universities)

**Course fee** : Free
